

INVITATION TO COMMENT

HORSE AND DOG EXERCISE AREAS – KALBARRI FORESHORE

There are areas within the river foreshore areas of Kalbarri where dogs and horses are currently mixing, which is creating some conflicts. The Shire is looking to introduce controlled areas of use under Part 4 of the Shire's 'Property Local Law' to reduce/remove conflicts and to accommodate all users of this section of the river foreshore.

Restrictions currently exist where dogs are permitted to be exercised off-leash and are permitted on-leash. Persons in charge of a dog or a horse in a public area should continually look out for, and comply with, all existing signs and notices relating to the control of animals and be conscious of other foreshore users.

Plans are provided of the proposed exercise areas are shown (dog area marked in yellow and horse area marked in red). You are invited to provide comment on the proposed areas and associated provisions, as outlined in this notice.

Copy of this notice and plans are available at the Kalbarri office or electronically from the Shire of Northampton and all comments are to be forwarded to the Acting Chief Executive Officer, either by post, PO Box 61 Northampton, or by email ceo@northampton.wa.gov.au and are to be received by Friday 9th December 2022.

Horse Exercise Area

Horses are permitted in this area up until 8-00am.

Horses are not permitted in this area during school holidays.

Dogs in this area must be on-leash at all times.
