5.3 QUESTION TIME

There were members of the public present with the following questions put to Council.

5.3.1 PASCALE DELHAIZE– DISABLED ACCESS FISHING PLATFORM/CARPARK EROSION

Pascale Delhaize

1. Pascale Delhaize inquired as to exact location of the proposed Disabled Access Fishing Platform?

The President advised that the location of the proposed Disabled Access Fishing Platform had not changed from initial recommendations, which is to extend from the current footpath from the carpark at Chainman's beach.

2. Pascale Delhaize inquired into the apparent erosion caused as a result of sealing the Kalbarri Boat Hire carpark and erosion immediately east of the VMR building?

The Manager for Works and Technical Services, Mr. Neil Broadhurst advised that erosion is evident at the northern end of the boat hire carpark and is aware of this, subsequently an item to install a suitable method of erosion control shall be listed for consideration within the 2012/2013 draft budget for council consideration. It was expressed that the situation is believed to be much better than when the area was a total gravel car park with storm water now controlled in a better way with some storm water directed onto the adjacent lawn area.

The area around the VMR building is being monitored and did deteriorate quickly following the last significant river flow. It is believed the area is going through a period of re-stabilising with the return of the sand spit that is being naturally re-established (which is slowly happening). He advised that Council had also included some preventative measures for consideration in the 2012/13 budget, which included some geo-textile revetment matrices and are currently looking at other measures to reduce any erosion.

5.3.2 JACQUELINE WILLBOND– NORTHAMPTON STRATEGIC PLAN

Jacqueline Willbond

Jacqueline Willbond advised that as the Shire of Northampton’s Strategic Plan involves a strategy which requires Council engaging with community and effectively communicate Shire activities, then could it be requested that an additional Public Question Time be held at the end of the Council meeting to discuss issues raised during the meeting?

The Deputy Chief Executive Officer advised that some Councils do provide for a second public question time later in the meeting. There are issues involved in using the forum for debating/discussing items previously considered, but this would be a decision for the Council of the time to make and Council will take the recommendation of additional public question time on board for consideration.
