## Karl Suckling

I have grown up and lived in the Northampton Shire for the past 40 years farming with my family. I am married with 3 children. I am currently farming with my wife, brother and sister in law in the Northampton shire.

I have been heavily involved in our Northampton community since coming home to Northampton after completing a Degree in Agricultural Science at UWA.

I have worked in various voluntary roles within the local community including the Agricultural Society, Northern Agri Group, local Bush Fire Brigades, St Mary's School Board and Northampton Community Centre.

I believe I have a strong understanding of organisations and businesses within our community. I believe the future of our shire is strong and I will work for the community to ensure opportunities are developed in a sustainable and transparent manner.
