BACKGROUND:

The Shire of Northampton (Shire) was awarded \$600,000 toward a Northampton Economic Development Precinct project (the project) under the Commonwealth Government Regional Precincts and Partnerships Program. The Shire's contribution to the project is \$100,000 which has been previously approved by Council.

The project purpose is to identify infrastructure requirements and improve liveability across the Shire district if economic drivers arise, mainly through mining, renewable energy, agriculture, and tourism, that result in population growth across the district. The project will involve a range of government and non-government stakeholders and produce a strategy to cater for population growth in the future. The project must be completed by 30 June 2027 however indications are that this time may be extended further.

The project is primarily consultant driven with the direct oversight of the Shire. The purpose of this report is for Council to consider the appointment of a part time Project Manager to commence the project.

PUBLIC CONSULTATION UNDERTAKEN:

Nil.

COMMENT (Includes Options):

Ordinarily the Shire administration would organise procurement for consultants as it is considered an operational matter. However, in this instance the Shire administration believes that consultant Future Systems should be directly appointed without seeking further quotes as required by Corporate Policy 2.3 *Purchasing Policy* (the policy) which requires three quotes be sought. This policy can be found in the attachment.

APPENDIX: 8.1.1 (1)

The reason Shire administration is seeking to appoint Future Systems outside of the policy is that they have established knowledge and contacts derived from them being the consultant that produced the Northampton Economic Development Framework document which was the primary document used by Future Systems to undertake the administration for the successful application to the Regional Precincts and Partnerships grant program for the project. Future Systems have built a strong stakeholder contact base and are very well placed to project manage the Northampton Economic Development Precinct project.

STATUTORY ENVIRONMENT:

The Local Government Act 1995 and subsidiary legislation establish the statutory framework for procurement in Local Government.

POLICY / STRATEGIC IMPLICATIONS:

This request to Council has been made on the basis that Corporate Policy 2.3 *Purchasing Policy* would need to be varied to ensure that purchasing governance standards are upheld. Council has the ability to vary any policy with adequate reason.

ORGANISATIONAL RISK MANAGEMENT:

Risk rating is considered Moderate due to compliance obligations.

Measures of Consequence							
Rating (Level)	Health	Financial Impact	Service Interruption	Compliance	Reputational	Property	Environment
Insignificant (1)	Negligible injuries	Less than \$1,000	No material service interruption	No noticeable regulatory or statutory impact	Unsubstantiated, low impact, low profile or 'no news' item	Inconsequential or no damage.	Contained, reversible impact managed by on site response
Minor (2)	First aid injuries	\$1,001 - \$10,000	Short term temporary interruption – backlog cleared < 1 day	Some temporary non-compliances	Substantiated, low impact, low news item	Localised damage rectified by routine internal procedures	Contained, reversible impact managed by internal response
Moderate (3)	Medical type injuries	\$10,001 - \$50,000	Medium term temporary interruption – backlog cleared by additional resources < 1 week	Short term non-compliance but with significant regulatory requirements imposed	Substantiated, public embarrassment, moderate impact, moderate news profile	Localised damage requiring external resources to rectify	Contained, reversible impact managed by external agencies
Major (4)	Lost time injury	\$50,001 - \$150,000	Prolonged interruption of services – additional resources; performance affected < 1 month	Non-compliance results in termination of services or imposed penalties	Substantiated, public embarrassment, high impact, high news profile, third party actions	Significant damage requiring internal & external resources to rectify	Uncontained, reversible impact managed by a coordinated response from external agencies
Catastrophic (5)	Fatality, permanent disability	More than \$150,000	Indeterminate prolonged interruption of services – non-performance > 1 month	Non-compliance results in litigation, criminal charges or significant damages or penalties	Substantiated, public embarrassment, very high multiple impacts, high widespread multiple news profile, third party actions	Extensive damage requiring prolonged period of restitution Complete loss of plant, equipment & building	Uncontained, irreversible impact

FINANCIAL IMPLICATIONS:

The cost of appointing Future Systems is \$62,400 (ex GST) which is included in the grant approval.

SUSTAINABILITY:

Environmental: Nil.

Economic: Nil.

Social: Nil.

VOTING REQUIREMENTS: SIMPLE MAJORITY

OFFICER RECOMMENDATION:

That Council:

1. **Endorse the variation to Corporate Policy 2.3 *Purchasing Policy* to allow the direct appointment of Future Systems Pty Ltd to the position of part time Project Manager for the Northampton Economic Development Precinct Project at a cost of \$62,400 (ex GST);**
2. **Acknowledges that the variation to Corporate Policy 2.3 *Purchasing Policy* is on the basis that Future Systems has established knowledge and contacts specific to the Northampton Economic Development Precinct Project.**
